Georgetown, Guyana

January 4, 1978

[redacted]

Dear [redacted]

I refer to your letter of December 8, 1977, concerning your son Darrell Devers.

I am planning to visit Jonestown in approximately one week. During my stay there I will arrange a personal, private meeting withyyour son to determine whether he wishes to return to the United States. I will inform you of his decision.

B6

Please accept my best wishes.

Sincerely,
